

MUDDASSIR ALI

Digital Marketing Strategist | Meta Ads Manager | Marketing Automation Expert
Kanpur, India | +91-9194020727 | muddassirali.com | github.com/muddassir-commits

PROFESSIONAL SUMMARY

Performance-driven Digital Marketing Professional with 6+ years of hands-on expertise in Meta Ads, Google Ads, SEO, and AI-powered marketing automation. Specialist in designing end-to-end campaign architectures, leveraging large language models for intelligent automation, and implementing AI systems for lead qualification and optimization. Proven ability to combine deep marketing expertise with modern AI tooling — building automated workflows, CRM systems, and multi-channel funnels that deliver measurable ROI. Strong track record: 42% Meta Ads conversion rate, 500% organic traffic growth, 47 qualified B2B leads in 27 days using agentic AI. Experienced across international markets including USA, UAE, and UK.

PROFESSIONAL EXPERIENCE

Meta Ads Manager & Digital Marketing Trainer | Advanced Skill Development Center (ASDC) *Jul 2025 – Jun 2026*

Kanpur, India · Current Role

- Delivered 3-month digital marketing curriculum covering Meta Ads Manager, Facebook/Instagram advertising, campaign optimization, and SEO to 50+ professionals; built AI-assisted course materials and performance dashboards.
- Managed live Meta Ads campaigns for center admissions achieving 38% conversion rate and 35% cost-per-lead reduction through AI-powered audience segmentation and creative testing frameworks.
- Executed social media strategy across Instagram, LinkedIn, and Facebook; grew LinkedIn audience from 500 to 8,500+ followers with 6.2% engagement rate using AI-assisted content planning.
- Built Google Sheets dashboards with Meta Ads API integration, enrollment metrics, and ROI reporting; automated weekly insights for management review.

Digital Marketing Manager & Training Instructor | NDMIT | Digital Marketing Institute *May 2024 – Jul 2025*

Agra, India (Remote)

- Trained 150+ digital marketing professionals across 17+ cohorts in Meta Ads Manager, campaign architecture, audience targeting, and conversion tracking; maintained 95% course completion rate.
- Managed Meta Ads funnels for student admissions achieving 42% conversion rate (ad click to enrollment) using lead forms, landing page integrations, and WhatsApp automation.
- Conducted high-converting demo sessions with 40%+ demo-to-enrollment rate; developed consultative selling frameworks supported by AI-generated objection handling scripts.
- Promoted from Trainee to Marketing Executive to Trainer within 6 months based on measurable campaign performance and training results.

SEO Executive & Sales Executive | Global Trade Plaza | B2B Marketplace *Aug 2021 – Apr 2024*

Kanpur, India

- Executed comprehensive SEO strategy across 50+ product category pages; achieved 500% organic traffic growth (2,000 to 12,000 monthly sessions) over 14 months with 25+ first-page keyword rankings.
- Increased organic-driven leads by 340% through on-page optimization, technical SEO, and backlink acquisition; leveraged AI-assisted competitor analysis and content benchmarking.
- Ranked #2 sales performer in Q3 2023 with 32% B2B subscription conversion rate; consistently exceeded monthly targets by 15–25% through consultative selling.

Marketing & Sales Executive | Bharat Wood Works | Industrial Products & B2B Distribution *May 2020 – Jul 2021*

Unnao, UP

- Managed B2B marketing and sales for industrial wood products; handled client acquisition, relationship management, and regional sales pipeline.
- Developed and executed local marketing initiatives driving consistent sales growth across distributor and manufacturer segments.

Healthcare Sales Representative | UK Healthcare Telesales | Healthcare Products & Services Jan 2019 – Mar 2020

Kanpur, India

- Handled outbound telesales for UK healthcare products; consistently met and exceeded monthly revenue targets through consultative selling and objection handling.
- Maintained CRM records, managed client follow-up, and contributed to high customer retention rates across assigned accounts.

TECHNICAL PROJECTS & AI IMPLEMENTATIONS

Multi-Agent B2B Lead Generation System (Apollo.io + Claude API + n8n + Gmail)

- Built end-to-end cold outreach automation: Apollo.io lead database → Claude API agentic qualification → n8n orchestration → Gmail; generated 47 qualified leads in 27 days with a repeatable scalable playbook.
- Claude API layer: custom prompts analyzing company size, industry, decision-maker level, and business fit; personalized email generation and multi-criteria lead scoring for intelligent prioritization.

AI-Powered CRM System (Supabase + Next.js + Claude API + n8n)

- Architected production CRM with multi-agent AI coordination: Supabase (PostgreSQL), Next.js frontend, Claude API decision-making agent, n8n orchestration; managing business leads across multiple verticals with automated scoring and routing.
- Features: real-time dashboard, Gmail integration, Airtable sync, performance analytics — full-stack architecture from database to AI reasoning to user interface.

Agentic AI Lead Qualification Workflow (Claude API + n8n + Airtable)

- Designed autonomous 24/7 lead evaluation agent with 0–100 confidence scoring across 5+ decision criteria; automated segmentation (hot/warm/cold) and routing; reduced manual qualification time by 80%.

Meta Ads Campaign Architecture & Full-Funnel Optimization

- Designed full-funnel Meta Ads campaigns achieving 38% conversion rate and 35% CPA reduction; implemented Meta Pixel, Lead Forms, WhatsApp automation, and GA4 integration; generated 150+ qualified enrollments.

SEO & Organic Growth Strategy

- 500% organic traffic growth (2K to 12K/month) in 14 months; 25+ first-page rankings; 340% increase in organic leads; improved average position from 35 to 12 with no seasonal decline.
